32" x 19" x 10"

Double Bowl Undermount Kitchen Sink

The double bowl stainless steel kitchen sink combines a modern style with sleek, tight radius corners. Made from 18-gauge stainless steel, this sink offers two deep bowls to keep clean and dirty dishes separate.

Product Features

- 32" Double Basin Handmade Kitchen Sink (50/50 Basin Split)
- High-quality 18-gauge thickness stainless steel for lasting durability
- Double-bowl conveniently separates larger pots from delicate glassware when washing or soaking
- Extra deep (10") basins provide a large workspace, allowing you to deep soak even your largest pots and pans
- Cutout template and instructions included

* Sink only. Waste fittings not included.
